SRI VAISHNAVI ENTERPRISES

Are you a Hotelier / Caterer / Restaurant owner & concerned for:

- Getting quality chafing gel fuel for food warming needs
- Reducing your cost of food warming
- Prompt and reliable service
- Good long-lasting relationship

Are You a Wholesaler / Retailer & concerned for:

- Getting quality chafing gel fuel
- Reliable gel fuel manufacturer
- Prompt delivery & Short-notice service
- Supply through-out India & abroad

Sri Vaishnavi Enterprises ADVANTAGE

- Manufactures export-quality Gel fuel for Food warming purpose
- We are leading manufacturer & exporter of Gel fuel / chafing fuel
- Hundreds of well-satisfied Customers
- Adapting to Latest technology for product improvement
- Prompt & reliable service – ensuring customer confidence & satisfaction
- We supply through-out India and looking for distributors

Note: For Hotel & Catering Industries only

Advantages of WonderGel fuel over other fuel:

- It burns with controlled fire keeping food warm till the end
- High viscous gel fuel burns for longer duration and thus cost-effective
- It burns with pleasant blue flame
- It does not leave soot, smoke and does not blackens the utensils
- It is odourless, transparent Gel fuel
- It burns without noise (splutter-free)
- It is comparatively easier to handle and safe to use indoor / outdoor

Packaging:

- Standard Tin container of 200 – 250 gms with 2–3hrs burning time
- Special Tin container for Exports are available
- Bulk Packing from 10 to 25 kgs in Tin and Plastic Containers
